

**ACADEMIC POLICY STATEMENT**  
(Read Carefully)

1. I agree that I will attend all classes and class-related field trips. I understand that more than three unexcused absences may result in the lowering of the final grade.
2. I understand that independent travel during classes or class-related field trips is not allowed.
3. I agree that I will arrange my departure from China for a date following the end of the short-term session. I understand that final examinations and/or papers are required in all classes.
4. I agree to remain a full-time student, maintaining my original enrollment throughout the short-term session.
5. I understand that, if my home institution requires course approvals, it is my responsibility to obtain that approval.
6. I understand that all grades are reported to both the sponsoring institution (CSI) and to my home school at the end of the short-term session.
7. I understand that there is no course withdrawal or drop option once the program begins. What I register for in the US prior to departure is exactly what will be transcribed upon return.
8. I understand that CSI will not grant Pass/Fail for courses taken at the overseas institution.
9. I understand that CSI cannot issue credits for courses that are not listed in the program material provided.

I have read the above policies and agree to adhere to them.
